You want to present on site, but lack the opportunity or means to come to Pula?

Don't worry, you can participate online.

There is an interesting topic you would like to present at the Symposium but without writing a full paper for the Proceedings?

Also possible, just chose that option in the Registration form.

Check out the answers to FAQ:

Will the papers presented at the Symposium be published?

Yes, the Proceedings will be prepared and published prior to the Symposium.

How will the papers published in the Proceeding be categorised?

Take into consideration that more than 50% of participants are international contributors; an international scientific committee; the Proceedings indexed in RILM and EBSCO, international editors.

Will there be any additional events organised for the participants of the Symposium?

Yes, there will be interesting concerts and social gatherings.

Why do participants recommend the Symposium?

Interesting topics, great presenters, supporting atmosphere, international cooperation, highly ethical approaches, professionalism, team work, pleasant communication, scientific and practical contribution, etc.
